Detailed Project Description and Justification:

Smolt Stocking for Seldovia slough is essential to the life and health of Seldovia and its surrounding areas. According to the State of Alaska Department of Commerce, Community and Economic Development, subsistence is an integral part of the local culture. Seldovia and its surrounding areas have many people subsistence lifestyle. Any decrease in the salmon population will negatively impact the food supply. With the ferry system being unreliable Alaskans who reside in and around Seldovia are even more vulnerable to Alaska's harsh lifestyle. Instituting smolt stocking for the Seldovia slough will provide a safety net for the life and health of Alaskan's.

Project Timeline:

Put in smolt in June 2009.
